## WHITE CLOUD PUBLIC SCHOOLS

### District Annual Education Report (AER)

February 14, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for the White Cloud Public School District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Mr. Ed Canning, Superintendent, for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site: <https://bit.ly/3K5GqjJ> or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

**Student Assessment Data** – Includes the following four assessments: M-STEP (Michigan Student Test of Educational Progress), College Board PSAT, MI-Access (Alternate Assessment), and College Board SAT. This report section presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students. The report helps users to understand achievement performance within grades and schools, and to make comparisons to district, state, and national achievement benchmarks.

**Accountability – Detail Data and Status**

The accountability portion of the AER includes assessment proficiency and participation rates, graduation or attendance rates, as well as accountability index values showing school performance on a 0-100 scale.

### Teacher Qualification Data

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

### NAEP Data (National Assessment of Educational Progress)

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

### Civil Rights Data

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2021-22 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
White Cloud Elementary School	No Label	Goals and Dreams Character Counts (PBIS) Character Strong (SEL) Trauma Informed Learner White Cloud Public School Strategic Planning
White Cloud Junior High School	No Label	White Cloud PRIDE (PBIS) Trauma Informed Learner Character Strong (SEL) Be NICE White Cloud Public School Strategic Planning
White Cloud High School	No Label	White Cloud PRIDE (PBIS) Trauma Informed Learner Character Strong (SEL) Be NICE White Cloud Public School Strategic Planning

Thank you, White Cloud Community, for taking the time to review the AER reporting information for the White Cloud Public School District and its schools. The staff at White Cloud Public Schools is committed to continually improving the education and climate of our schools through data review, positive change PBIS programs, incorporation of technology, and implementation of professional development to benefit our students for the goal of life-long success. We are utilizing strategies and supports for our at-risk, special education, and excelling student populations. If you have any questions regarding our District's AER or individual school's AER, please contact me via email or phone.

Educationally,

Ed Canning  
Superintendent
