Whenever an employee changes from one classification to another, the amount of seniority accrued in that classification shall be frozen
- D. The Board shall prepare, maintain, and provide a copy of the seniority list to the Association in October of each school year and upon request.
- E. The Association must correct any errors in the seniority list within ten (10) working days of receipt of the October list; otherwise, it forfeits any right to make corrections.
- F. Any employee who has been partially incapacitated at their regular work by injury or compensable occupational disease while employed by the Board, may at their option, "bump" in their classification and replace the least senior employee if no vacancy is available. This shall apply only while the employee is incapacitated, after which time they shall return to their regular position.
- G. Seniority shall be lost by any employee upon termination, resignation, retirement, or transfer to a non-bargaining unit position or layoff of more than five (5) years provided that after the first year of layoff, the laid off employee provides written notification by June 30 each year to the district business office of their intent to remain on the recall list. This notice shall include the employee's current mailing address. Seniority shall continue to accrue during a layoff.

ARTICLE 13 - VACANCIES, TRANSFERS, AND PROMOTIONS

- A. Vacancies of a temporary nature shall be defined as any vacancy otherwise held by an employee on a leave of absence.
- B. "Permanent vacancy" shall be defined as a newly-created position or any vacancy created when an employee permanently leaves a bargaining unit position.
- C. The Board shall not be required to post temporary vacancies, and such vacancies shall be filled by any qualified employee on layoff from the district, provided that such vacancies shall be offered to laid off employees on the basis of seniority. If there is no qualified employee on layoff from the district, the Board may fill the temporary vacancy from any source.
- D. Whenever a permanent vacancy exists, such vacancies shall be filled according to the following:
 - 1. All vacancies occurring during the school year will be emailed to all employees and posted for a period of five (5) working days. Interested employees may apply in writing to the Superintendent within the five (5) day posting period. The Board shall notify the Association President of vacancies occurring within the bargaining unit during summer months or vacation times. Open vacancies will be emailed to all employees. Interested employees may apply in writing to the Superintendent within ten (10) work days of the postmark on the notice.
 - 2. Vacancies shall be posted for bid with qualifications specified, and the most senior qualified employee applying from that classification shall be awarded the job. If no qualified applicants apply from within the classification, the Board will consider other internal and external candidates.
 - 3. Within ten (10) working days after the expiration of the posting period, the Board shall make known its decision as to which applicant has been selected. A copy will be sent to the Association President.
In the event no current employee applies, the ten (10) days limit shall not apply.
 - 4. Employees transferring to another bargaining unit position shall be given a maximum thirty (30) workday trial. If the Administration or the employee determines that the position transfer is unsuccessful, the employee shall "bump" to the former assignment if the position is not eliminated or reduced.
 - a. In the event the former position is not available or the position's work hours reduced, the employee shall be able to bump/displace the least senior employee in the classification with the closest number of hours to keep the employee whole.

b. If no bump is available, as outlined in 4.a.,

- 1) the Administration shall allow a voluntary transfer between the employee and any other employee if approved by the Administration.
- 2) If the voluntary transfer is not practical, the Administration shall meet with the Union to arrange an involuntary transfer between the least senior employee(s) in an effort to preserve the work hours.

In the event that an employee is displaced by the above procedures, the employee shall be temporarily assigned to the vacated position (if not eliminated) until it is reposted and filled as outlined in this agreement.

5. Employees shall not be placed on a lower rate of pay due to an involuntary transfer or assignment to a temporary vacancy. In the event an employee applies for and is selected for a permanent vacancy that has a lower rate of pay, the employee shall be paid the rate of pay assigned to that position.
 6. The parties agree that voluntary transfers are preferred and involuntary transfers of employees are to be minimized and avoided whenever possible. In all cases, involuntary transfers will be effected only for reasonable and just cause. When an involuntary transfer is necessary, the Administration shall meet with the Union to explore alternatives and if alternatives are not practical, the parties will arrange for least senior transfers that will meet the district's needs.
 7. An employee's pay rate shall not be reduced by any temporary change in duties.
 8. Once posted and job bidding closed, a job posting shall not be changed.
 9. In the event no employees apply for the vacancy, the vacancy shall then be filled by the recall of qualified employees on layoff in the order set forth in Article 14 - Layoff and Recall of this Agreement.

- E. In the event the district modifies a current position by the addition of fifteen (15) minutes or in such a way that it involves a significant reassigning of tasks or the proportions of various tasks that are normally assigned to the position, and does not plan to continue that same employee in the position, the job shall be declared available and posted to all employees. In the event the district modifies a current position by the decreasing of fifteen (15) minutes, the employee has the right to remain in the position or begin the bumping process. This notification shall be sent to all employees via email. Employees who are

interested in the position shall so notify the Superintendent within ten (10) working days of the posting of their interest in the position. The most senior qualified employee applying from the affected classification shall be awarded the position. All provisions of this Article except for D.1 and D.2 shall apply to this procedure.

- F. It is understood that the decision to fill a vacancy shall be left to the discretion of the Board provided that such decision is not in conflict with any other terms and conditions of this Agreement.
- G. Employees may be assigned to perform the duties of an absent employee as deemed necessary by the employer. After serving ten (10) consecutive days in the position, employees substituting shall be paid at the rate of the position in which substituting, provided it is not less than employee's regular pay rate. Employees transferred to fill temporary vacancies shall be returned to their former position upon completion of the temporary assignment.

This notification shall be provided within ten (10) days of the closing date of the posting.
 - 4. The Association will be notified of short-term paraprofessional in writing within five (5) days of the creation of the short-term position.

ARTICLE 14 - LAYOFF AND RECALL

- A. "Layoff" shall be defined as a necessary reduction in the work force which is beyond normal attrition.
- B. In the event of layoff involving the termination of positions, the following procedure shall be followed:
 - 1. The Board shall identify the specific position(s) to be eliminated and shall notify by May 30 of each year, if known at that time, for the succeeding school year, the employees in those positions.
 - 2. The Board shall then ask if any employees in the affected classification wish a voluntary layoff. - C. In the event of a reduction in the work hours, an employee may claim seniority over another employee for the purpose of maintaining their normal work schedule, provided they have greater seniority than the employee they seek to replace. In no case shall a reduction of any employees' work hours take effect until the Board gives ten (10) working days' written notice to the affected employees. Further, employee hours shall not be reduced as the result of increased student aide/worker/employee hours in the event that the district does reduce employee hours. In the event that the district does reduce employee hours student aide/worker/employee hours shall not be increased. Special needs student work study placements shall not factor in this provision provided the placement does not replace employees.

- D. Any employee displaced by the above provisions shall be given the first chance to return to the employee's previous position, should the position become open or vacant within five (5) years from the date of layoff.
- E. A laid off employee shall, upon application and at their option, be granted priority status on the substitute list according to their seniority. Laid off employees may continue their health, dental, and life insurance benefits by paying the regular monthly subscriber group rate premium for such benefits to the Board.

Any employee who has served more than thirty (30) working days in a position shall be deemed qualified for any position in that classification. Upon recall from layoff, the employee shall be subject to the maximum thirty (30) workday trial period. If unsuccessful within that time, they shall return to layoff status, retaining recall rights to all other positions for which they are qualified. Employees shall remain on the recall list for five (5) years provided that after the first year of layoff, the laid off employee provides written notification by June 30 each year to the district business office of their intent to remain on the recall list. This notice shall include the employee's current mailing address.
- G. Notices of recall shall be sent by certified or registered mail to the last known address as shown on the Board's records. - H. Employees who collect unemployment compensation during a scheduled school break, do not receive notice of layoff, and who return to work with no loss in regular compensation shall reimburse the district the unemployment compensation received. The employee's reimbursement shall be through a lump sum payment or payroll deduction. If legislation allows for such unemployment during school breaks without being notified of layoff, the employee shall not be required to reimburse the district.

ARTICLE 15 - PROBATIONARY EMPLOYEES

- A. Any new employee will be considered a probationary employee until they have been employed for ninety (90) work days. Each recess and at noon, paraprofessional's outside recess duty shall be limited to twenty (20) minutes during each morning and afternoon recess and thirty-five (35) minutes during the noon recess. This provision shall not apply to early arrival time, bus duty, or before school recess. It is also not applicable to the classification of outdoor recess aide. Recess aides shall not be assigned lunchroom or classroom duties. They will be assigned to supervise indoor recesses.

While paraprofessionals are on playground duty, the safety of the students shall be a key criteria in setting the student to paraprofessional ratio. Outside recess and other outdoor activities (such as CBI student activities, recycling, etc.) that require employee participation will not be scheduled when the wind chill factor is below 10°F. This does not include required transportation loading or unloading or brief trips necessary to obtain supplies or other materials. The Administration retains the right to cancel any event due to extenuating weather considerations.

A procedure, agreed upon between the parties, shall be developed that assures that an adult will be available to supervise the assigned students in the event of an injury or a situation which takes the assigned paraprofessional away from the playground.

- C. The lowest seniority aides who are scheduled to work at that time shall have bus duty unless a more senior aide volunteers. At least two (2) paraprofessionals shall be assigned bus duty per loading or drop-off point.

This provision shall apply to kitchen work as well. By the end of the school year, interested employees shall sign a "summer employment interest" list if the employee is available for summer work and wishes to be contacted and offered work as it becomes available. - B. Employee evaluation shall be primarily by formal observation of employee work. Observations shall be for periods of time that accurately sample the employee's work. Informal evaluations, done by the evaluator, and which had been reduced to writing and shared with the employee during the current work year may be referred to in the formal evaluation.

- G. All evaluations shall be reduced to writing and a copy given to the employee within ten (10) working days of the evaluation. If the employee disagrees with the evaluation, they may submit a written response within ten (10) working days which shall be attached to the file copy of the evaluation in question. If an administrator believes an employee is doing unacceptable work, the reasons therefore shall be set forth in specific terms and shall include an identification of the specific ways in which the employee is to improve and the assistance to be given by the Administration towards that improvement. In subsequent observation reports, failure to again note a specific deficiency shall be interpreted to mean that adequate improvement has taken place.
- H. Following each formal evaluation, which shall include a conference with the evaluator, the employee shall sign and be given a copy of the evaluation report prepared by the evaluator. In no case shall the employee's signature be construed to mean that they necessarily agree with the contents of the evaluation. An employee may submit additional comments to the written evaluation if they so desire. All written evaluations are to be placed in the employee's personnel file.

- I. At the completion of the probationary period, an evaluation of the employee's work shall be completed, following procedures of this provision.
- J. In the event an employee is not continued in employment, the Board will advise the employee of the specific reasons therefore in writing, with a copy to the Association.

Also, each employee who works more than five (5) consecutive hours will have a fifteen (15) minute paid break in the morning and a fifteen (15) minute paid break in the afternoon as scheduled by the building principal. Employees who hold multiple positions (separate postings) will receive one fifteen (15) minute paid break if working more than 5 consecutive hours to be scheduled by the building principal. Employees who work three (3) to five (5) hours shall receive one paid fifteen (15) minute break as scheduled by the building principal. It is expressly understood that any food service who does not receive a lunch break as specified above, or any food service who does not have a lunch break scheduled before serving lunch, shall have their fifteen (15) minute break, or lunch break if not taken earlier, scheduled immediately after lunch is served.

No food service employee shall be required to accept the extra work except in the event that no food service employee accepts the extra work, in which case the least senior food service employee shall be required to work.

 3. Food service employees scheduled to work the Alumni Banquet shall be paid one and one-half (1½) times their regular hourly rate.

 5. Head(Lead) Cook will paid at an additional \$1.00 per hour.
- F. In the event an employee is required to travel between buildings as part of their duties, the travel time shall be scheduled so as not to interfere with and/or reduce the employee's lunch break or lunch time.

- Employees whose normal work year corresponds to the school year with the possible addition of a work week, more or less, prior to the commencement of school and/or after the closing of school and works an excess of twenty-nine (29) hours per week shall be called full-time school year employees.
- Employees whose normal work week is equal to or less than twenty-nine (29) hours per week during the school year shall be called part-time employees.
- H. In the event that the district determines the need to reduce hours, every effort will be made to reduce whole positions rather than reducing the positions of more than one employee. If it is not possible to reduce full positions and one or more positions must be reduced to accomplish the hour reductions, the district shall make every effort to reduce the work hours of the least senior employees within that classification, understanding that some allowance may need to be made for school schedule needs and specific job skills.

If no paraprofessional volunteers, the least senior paraprofessional shall be assigned the duties.
- F. Participation by an employee on school improvement program committees (SIP) shall be voluntary. The employee's participation on such committees shall not be a factor in the employee's evaluation. If any decision of SIP committee recommends action that is contrary to this Agreement, these actions will be subject to the negotiation process.
- G. Job descriptions shall be as outlined in Appendix B - Job Descriptions.
- H. Any employee that wishes to substitute in another position that receives more hours, must sign up on the bi-annually posted specialty substitute listing (see below). At least one week prior to the beginning of the school year and the second semester, or when there is a vacancy in the position, the district will post the one-on-one paraprofessional positions and other positions that require specialized training including: the library paraprofessional and two kitchen employees.

These vacant positions shall be filled according to the terms of the Master Agreement from members of the classification and if no members from within the classification apply the position shall be filled from other classification applicants. If no bargaining unit members apply the district may fill the position from any source.

Training (in-house) for the substitute employees shall be provided by the district and every effort will be made to provide this training during the employee’s regular work hours and with as little disruption as possible to the employee’s regular work schedule.

In the event that the regularly assigned substitute changes at the semester due to the posting, the parties recognize that a transition time may be necessary to allow for appropriate training in order for the new substitute to assume her/his duties.

When a substitute is needed the employee awarded the posted position will be assigned the position and at the district’s option a substitute may be arranged for the employee’s regular position. Upon conclusion of the substitute assignment the substitute employee will be returned to their regular assignment.
