MEET YOUR MENTOR

My name is Chelsea Webb and I have been with White Cloud Schools for 10 years. I attended Grand Valley State University for my Bachelor's degree in English with a political science minor as well as for my Master's degree in reading and literacy. I have previously worked as a special education teacher and an English teacher in the junior high. In my spare time, I enjoy spending time with my daughter and attending her soccer games. I also enjoy traveling, reading, and crochet. I'm very excited to spend this school year with you and help you succeed.
