

White Cloud Jr/Sr High School

Two Sport Athlete Form

Athletes at White Cloud High School are allowed to participate in more than one sport during a particular season. If a student decides to participate in more than one sport at a time, a coach shall in no way discourage this decision. Rather, the coaches involved should work together to make this situation as smooth as possible. Realizing that there is potential for conflicts arising when an athlete is participating in two sports at the same time, the following guidelines will be adhered to:

1. Before being allowed to participate in two sports during a season. the athlete, his/her parents/guardian, and the athletic director/coordinator must sign below. Copies will be given to the coaches involved upon completion.
2. The athlete will declare a primary sport and a secondary sport.
3. The athlete will be responsible to their primary sport, whether it be conference, non-conference, or tournament.
4. The athlete will be available for their secondary sport only in events not already scheduled for their primary.
5. An athlete who voluntarily quits or is dropped from the primary sport will NOT BE ALLOWED to continue to participate in the secondary sport.
6. A contest will always take precedence over practice in the other sport.
7. If contests are scheduled on the same day, the athlete will participate in the primary sport.
8. If non-league contests are scheduled on the same day, the athlete will participate in the primary sport If times allows, the athlete may travel to the secondary sport location to participate after the completion of the primary sport.
9. Coaches are not to discipline an athlete for a missed practice on a day that the athlete is competing in his/her other sport.
10. On days that an athlete is not in competition, he/she should make an effort to practice both sports. If only one sport can be practiced, it should be the primary sport.
11. All eligibility rules will remain the same.
12. An athlete must begin practicing in each of the two sports at the beginning of each sport's season. Any deviation of this must be approved by the coaches involved.
13. If this contract is intentionally violated, the athlete will no longer have the option of participating as a two-sport athlete for the next four (4) semesters.
